Title: (Part 3) Home Again :
The Rebellious Son

MESSAGE

When the Prodigal Son walked away from the father he was lost. He was involved in wild living but the particular sins are not specified. This allows us to look at our hearts & examine what we've done. The son thinks he's on top of the world but ends up in the pigpen, which is the worst place for a Jewish person. **Leviticus 11:7.** Sometimes it takes a pigpen to make us come to our senses. One cannot begin to return home to God until they've assessed their lives. Home is where understanding, forgiveness, & love abound. The Prodigal Son had to swallow his pride to journey home to his father's place. Pride has a lot of strength. He came back & professed that he had sinned. To say we have sinned is to say we have failed & are wrong. This is true penance & true humility. Sometimes it takes coming before God &/or his Church to make a change.
