Title: Resolutions for the New Year

MESSAGE

Were there things we could have done better in 2024? **Letting go of the past.** Clinging onto the past can hinder our growth & progress. Saul (in Acts) was persecuting Christians, whom he believed didn't align with what he was taught. Jesus came to him & Saul changed his ways. He could have let his past hinder him from doing the good he was meant to do & being an example of who God is. Many others in the Bible didn't allow their past to cripple them & prevent them from being an example of God.

Plan (you must plan) **to dedicate more time to God.** The most important thing is having that 2-way street with God. Has our love for God increased this last year? **Matthew 5:13-16** Has our relationship with the world improved from last year? Are you a light on the hill? **People should know by our actions what our beliefs are.** We are the light, we are the salt of the Earth. **Philippians 3:3-14**

forget what is behind & press on to our goals. How are you strengthening your mind as a Christian? **Hebrews 4:12** You put God first before everything you do & everything falls into place.

1 Thessalonians 4:9 **Have a better relationship with our brethren.** **Romans 15:4** we're in this journey together, we ought to get to know each other.
