INSPIRATION WEEKLY

Candace Cameron Bure

“ The truth in God's Word isn't always easy to digest. It doesn't always feel good to live like He's called us to live. Sometimes we feel beat up and bruised as we seek to swim upstream against the culture and live out His plan, but He stretches us in ways that are ultimately for our good.

Title: Salvation : The Joy of Knowing (Series) - Don't Walk Like the World (P. 3)

MESSAGE

When we are pulled by Satan we become a puppet. Your movements are not your movements, they are the movements of whoever is pulling your strings. The God of this world is still orchestrating things. 1st thing you should control is yourself. Many times when we see things around us we become reactive & not proactive (doing what is necessary). Don't allow the world to make you behave in an unbecoming way. To live up to what God wants you to be, you have to be aware of what God wants you to be. Any life that doesn't have Jesus as its basis is not true life. **John 8:36** The authenticity is so God can see himself in his son. The essence of you & I, as living for God, is so we may exemplify who God is in this world. If we are Christians & are who we say we are, we must have an accurate understanding of God.
