REMINDER OF LAST WEEK

January 5, 2025

Preacher: Brother Anthony Ramdass

Scripture: Psalm 14 : 1

Title: The Evidence for God

MESSAGE

1. **The universe** [& everything in it] has intelligent & orderly design, ex: our bodies **Psalm 19:1-2**.
2. **Human longing**. Our desire for something proves that a thing exists. Part of us desires transcendence & our longing can't be satisfied by anything in this world, only God **John 14:13**. We're made for God; to desire & seek Him out.
3. **Logic**. We live in a cause-and-effect universe. Callus' Cosmological Argument: the universe has a beginning & [as science states] something can't come from nothing therefore, something must have created it, God. God wasn't created, **Exodus 3**. If God didn't exist nothing else would exist.
4. **Morality**. Every culture regardless of religion has a sense of right & wrong (it must be innate). Some being must have given us a conscience. **Romans 2:12-15**
